How Water Works in Alexandria

These organizations work together to provide Alexandria with drinking water, manage the sewer system, and treat used water that is returned to Hunting Creek.

Residential Service From February 11, 2020 to March 09, 2020 (Days of Service 27)

Meter Number	Previous Reading	Current Reading	Current Usage	Reading Type	Unit of Measure	Meter Size
H012634900	608	612	4.00	Actual	TGAL	5/8

AlexRenew is implementing RiverRenew to address a 2017 Virginia law to achieve healthier waterways system and wastewater treatment upgrades to capture and treat millions of gallons of combined sewage that pollute Alexandria's waterways when it rains. Upgrades for the tunnel system is slated to begin in 2021. Learn more at www.RiverRenew.com
